

TOP 10 REASONS TO CHOOSE RSM'S FIT-AS-A-SERVICE

A financial institution technology
(FIT) outsourcing solution

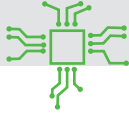

1 Targeted focus

RSM is the only full-suite professional services firm focused on financial institutions.

2 Network experience

We focus on your entire network, freeing core system and WAN providers to focus on what they do best. RSM is your top advocate.

3 Comprehensive services

Our local presence and national footprint offer accountability and scalability.

4 Partnership model

You have direct contact with firm owners who will be here today and tomorrow.

5 Efficient connectivity

We partner with world-class, geographically dispersed and nationally renowned data centers.

6 Powerful security

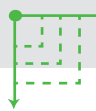

Our leading data center partners undergo additional scrutiny compared to smaller facilities.

7 Effective framework

We keep your bank's core and network services separate, to strengthen your banking environment.

8 Customized solutions

RSM provides flexible solutions that fit you—rather than one-size-fits-all services.

9 Extensive capabilities

Banking is a core RSM industry, but our other industry experience fosters innovative technologies and offerings.

10 Experience makes the difference

RSM consultants, including former bank CEOs, CIOs and regulators, bring unmatched industry and technology experience.
